

**Starbucks Coffee Company Corporate Political Contributions and Expenditures  
2015 Report**

Starbucks Coffee Company believes we have a responsibility to advocate policies that support the health of our business, our partners, and the communities in which we do business.

To better communicate our efforts, Starbucks adopted a policy in 2010 to provide greater transparency regarding our corporate political contributions and expenditures beyond what is required by law. This policy supports Starbucks interests in promoting public policy issues of concern to the company and educating elected and public officials about our business, while providing important information to our partners, customers, and shareholders.

This report outlines corporate political contributions and expenditures made by the company during the 2015 calendar year. The “Starbucks Coffee Company Policy on Corporate Political Contributions and Expenditures” and previous years’ reports can be found [here](#).
